BDS EMPLOYEES  
NIGHT AT THE BALLPARK!  
GIANTS vs. DODGERS

★ CENTERFIELD BLEACHERS! 22 DOLLARS! ★

Come root for the noble San Francisco Giants as (it is devoutly to be hoped) they administer to the wicked Los Angeles Dodgers the kind of thrashing we typically associate with the redheaded stepchildren of rented mules! BDS San Francisco has partnered with the League of Complicit Companies to secure some choice stretches of **centerfield bleacher** for just **\$22 apiece**. Join with scores of your colleagues to cheer the home team and heap contumely and abuse upon the vile foe, the while reveling in camaraderie and the ambience of one of America's finest ballparks, and now and again hoisting a tall frosty beverage. The Giants Community Fund will be making a generous grant to the **Until There's A Cure Foundation**, a non-profit group committed to AIDS awareness and education.

To sign up, or for further information, contact Wendy Timecomes at 415-555-1212.

The Dodgers...are a group of evil men with evil intentions. They wear royal blue and play before fans who care nothing about baseball. Anything you're for, a Dodger is against. Puppy dogs? Dodgers hate puppy dogs.

Can the Giants by themselves conquer the bad Dodgers? Of course not. That's what fans are for. Fans provide a necessary lift. Giants say that all the time: "The fans really gave us a lift today." They wouldn't say that if it weren't true.
